Q. Please refer to page 6 of the Company's prefiled testimony. How were the annual demand charges and commodity rates calculated under the FCS027 agreement prior to the 3rd amendment?

A. The 3rd amendment to the Service Agreement for FCS027 between Essex Gas Company and Distrigas of Massachusetts did not involve a change in the pricing structure of the contract. The change, as provided in the amendment, only affected the delivery points.

The fourth amendment did however affect the price calculation of the contract.

Attachment DTE 1-1 A is a worksheet showing price calculation prior to the fourth amendment.

Attachment DTE 1-1 B shows the price calculation after the fourth amendment.
